Latin Roots Name: Date:

Part One **Show What You Know!**

1. Build the Word

Use the morphemes in the boxes to build the word that matches each definition.

Morphemes	Definition	Word
trans- = across **port** = carry	To carry or move something from one place to another	
in- = into **spect** = look, see	To look closely at or examine something	
pre- = before **dict** = say, speak	To say what you think will happen before it happens	

2. Write the Word Sum

Choose one word from above and write its word sum.

3. Analyze the Morphemes

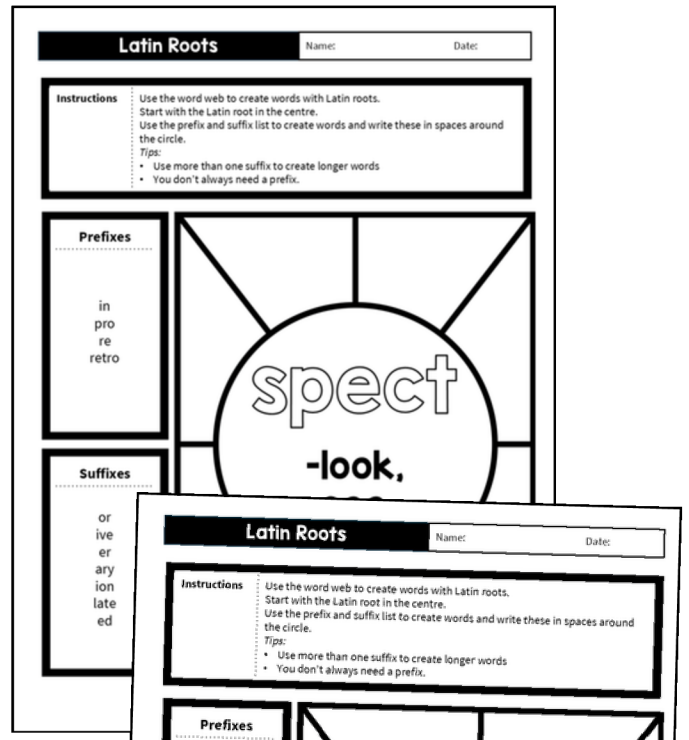
Use the word you chose above.

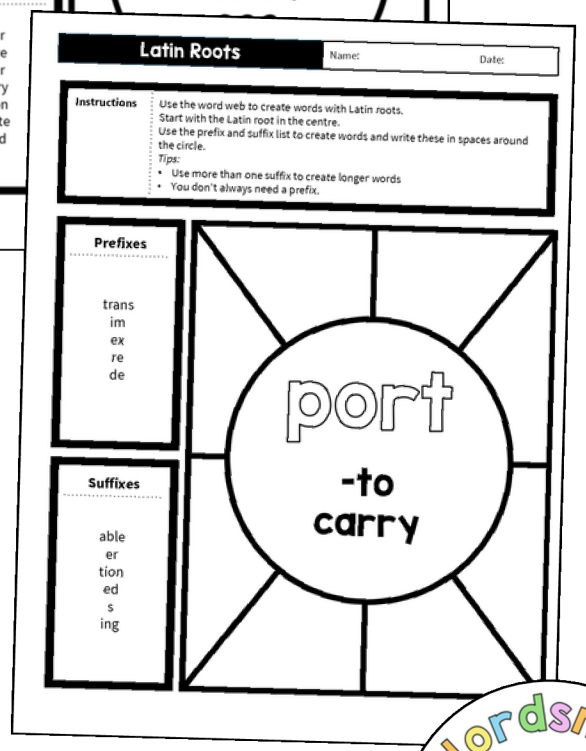
What does the combination of these morphemes suggest the word might mean?

The Wordsmith Cat

How to use this product.

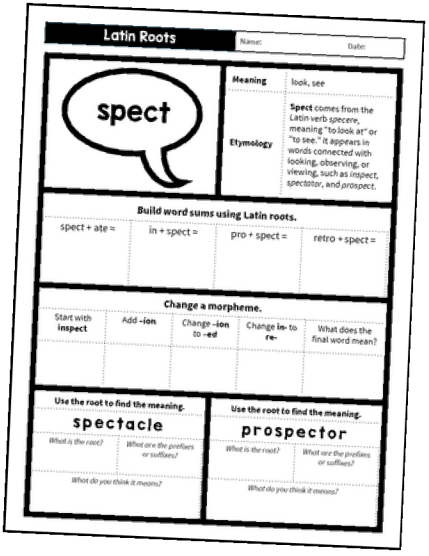
- Independent review work
- Pre or post test
- Daily review warm up
- Morning work or bell ringer
- Homework task
- Early finisher activity

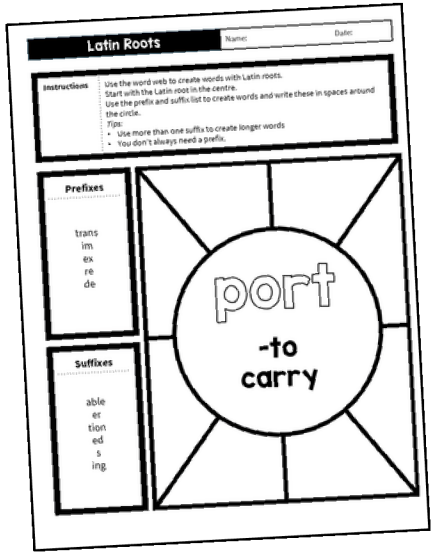


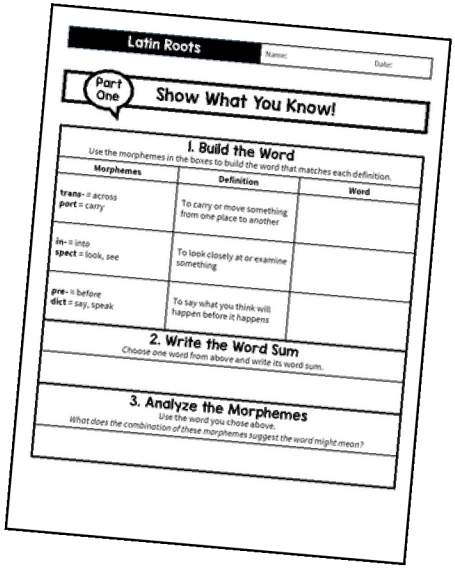


Why you'll love it.

- No preparation needed
- 27 ready to use morphology worksheets
- Word building skills
- Supplement structured literacy teaching







Teach morphology!

Help students understand word structure.

Boost vocabulary and comprehension skills.

Enhance decoding and word recognition ability.

Instructions Use the word web to create words with Latin roots.
Start with the Latin root in the centre.
Use the prefix and suffix list to create words and write these in spaces around the circle.
Tips:
- Use more than one suffix to create longer words
- You don't always need a prefix.

Prefixes

trans
